Gen Ed Mathematics (MA) and Analytic Reasoning (AR) are satisfied by major requirements.

Upper Level Concentration		
Students must complete a minimum of 12 credit hours of 300 - 400 level courses in one discipline outside of Computer Science with an average grade of C- or higher. No course that is in, or cross-listed as, CMSC may be counted in this requirement. Only 1 independent study or experiential learning course may be used. Students who are pursuing a minor or a second major can use those credits in this area.
